Medical Billing Services

One integral pillar of Adnare Pvt Ltd is a medical billing and coding wing with vast experience in Multi-Specialty billing. The company employees are highly trained and experts in billing codes, end to end revenue cycle management, and understanding of many practice management systems available in the market. We have also indigenously developed state of the art cloud based PM system "ClearpathMD" helping many practices across United States.

Our Key Success Factors include

- Vast Experience in Medical Billing, Medical Coding, and Managed Care.
- Consistently High Reimbursement Rates
- Cutting Edge Technology and Cloud Computing with Full Client Access to Real Time Data.
- Custom Reporting
- Complete Customization of Billing Procedures
- Extensive Portfolio of Services
- Regulatory Compliance Consulting & Implementation.

Medical billing is vital to every practice. Whether you are a solo practitioner, or a group practice, if you accept insurance, billing insurance claims is a necessity. Managing the revenue cycle is a tedious job. With timely filing limits, electronic data interchange (EDI) rejections, denials, coding issues, patient balance inquiries; you could find yourself spending more time on billing than taking care of your patients.

Here's how we can help!

At Adnare, we are offering our services through following models.

- Your staff - Our ClearpathMD.
- Our staff - Your PM/EMR/EHR systems.
- Our Staff - Our ClearpathMD.

We at Adnare, focus on the monthly billing cycle and revenue management and send you a detailed month end BI report. Following are the services provided by Adnare's team.

- Claim Preparation
- Electronic Claim Submission
- Paper Claim Submission
- Electronic Data Interchange (EDI) Management
- Patient Statement / Payment Posting / Account Receivable Management
- Denial Management
- BI Reporting / Patient Service / New Enrollments / Claim Rejections
